

What is it?

10k walk across Central London's parks and attractions with over 13.250 walkers raising money for Legal Support. All the money we raise goes direct to Barnet Refugee Service.

Why are we walking?

We raise vital funds to provide advice for refugees who seek asylum in this country. Our clients' lives have been shattered by persecution, abuse, torture and rape. With your support we help them rebuild their lives here, regain their self-esteem and make a positive contribution to society.

When and where are we walking?

Monday 17th June 2019 starting at 5.30 p.m.
Circular 10km walk from Royal Courts of Justice in the Strand to the Law Society.
